Keep in Mind....

Owning a pet is a privilege but with that privilege comes the responsibility of caring for your pet. We would like to thank all our residents who keep our community tidy by cleaning up after your pets. We're sure your neighbors appreciate your consideration! Please report any pet policy offenses to the front office.

Reminder!

Goodfellow Family Housing would like to remind current residents who may be PCSing or moving of the required minimum 30 Day Notice per your lease agreement. Orders are **NOT** required at the time you **place your written notice in our office**. If you have any questions regarding your **Notice to Vacate**, please call the front office.

GOODFELLOW COMMUNITY NEWS

Goodfellow Family Housing's website has had a makeover! Whether you are a current resident, incoming or outbound service member, check out our new and improved website. The new look also makes it easier to navigate through and find answers to any questions you may have. Of course, you may also drop by our office or reach us by phone too.

Outdoor activities, sports and spring break with the kids will entice many of us to venture outside as the weather gets warmer. Get outside for a walk, a bicycle ride, a jog or at the very least take advantage of the longer days and enjoy some sun while watching the kids play.

Did you know? Equinox is when day and night are the same length. This happens only twice a year, in March and in September. The vernal equinox, which this year is on March 20, is considered the first day of spring.

Spring Cleaning Safety Tips

Ready to tackle a few spring cleaning chores?

- Don't try to do it all in one day. It's hard to stay safe when you're tired or rushed.
- Lift properly - keep your back straight and lift with your legs. Or find a buddy!
- Be cautious using ladders and step stools.
- Follow cleaning product safety information. Read the label and use as directed.
- Keep cleaning buckets out of reach. A child can drown in a few inches of liquid.
- Clear away clutter to avoid trip hazards.
- Check your fire extinguisher.

Your correct contact information makes it easier for our maintenance technicians and staff to reach you for work order issues also.
