GOODFELLOW COMMUNITY NEWS

June brings warm weather, the end of the school year and MOVING VANS! Let's show our new neighbors our great sense of community and welcome new families. There's nothing like a smile and freshly baked cookies, or a pitcher of iced tea, a pot of coffee or a chilled adult beverage to make a new family feel at home. Ensure new neighbors are included in block parties or potluck meals. Introduce kids to others their age. It's much nicer to have someone to hang out with during the summer.

Let's not forget about all the amazing dad's/father's that might be home with there families or away fighting for his country!!! Happy Father's Day to you all!!!! Make sure you treat him like a king he deserves it and a lot more.

Hunt Update

Just a reminder PCS season is upon us please make sure your putting in your 30 day notice to the office. You do not have to have orders to give your notice very important be ahead of the game. Please contact the office if you have any questions.

We hate to see anybody go but we know that there is a big world out there waiting for you and your family!!!

Maintenance

Housekeeping Tips!!!!

A few good things to remember when you're doing dishes –

We all know that San Angelo has hard water and your dishwasher will build up with calcium deposits if not taken care of properly. Well we have some good tips for you so your dishwasher doesn't run poorly add a cup of vinegar in a cycle once a week.

Also good dishwasher soap for hard water is LEMI GLO it can be found at Wal Mart, HEB and at the Commissary.

Kitchen Disposal and Drains-Just a few things to remember when putting things in your garbage disposal. Please DO NOT put bones in garbage disposal, rinse all food particles down the drain while water is running and disposal is on. Leave water running for several minutes after rinsing dishes off.

Please do not put anything that swells down the drain for example: Grease, Vegetables, bread or peels.

Please call the office if you have any concerns-(325)-651-8369

Little Reminders

Make sure you're picking up after your pet when they do their business. It's so not fun to step in or see it around the neighborhood let's be kind to one another and keep our amazing community clean and bright. Please inform the office if we run out of the bags and we will make sure they are restocked. 325-651-8369

As the temperatures warm up, don't forget our furry family members who may not appreciate the heat. Make sure your pets have plenty of water to keep hydrated and a shady place to rest.
