GOODFELLOW

A HUNT MILITARY COMMUNITY™

ONE MISSION. ONE COMMUNITY.

Community Reminders

The changing spring weather means more outdoor activities. Please be on the look out for runners, bike riders, and children playing.

April showers bring May flowers. Please remember that if you have a fenced in backyard it is your responsibility to maintain your yard.

WEAR BLUE: RUN TO REMEMBER

Please join us at the community center on Thursday May 24th at 6:00 pm for a memorial day run to support our fallen war heroes. We will be partnering with the Wear Blue: run to remember organization for this event. We encourage everyone to participate. We will be providing more information on how to register and details for the day of the event soon.

Wear blue encourages runners and walkers across the nation to commit to run or walk miles in honor of each service member killed in the Global War on Terror. Runners and walkers will share in a combined effort to run in honor of every member of the American Military who laid down their life for this country. Each committed runner will be provided the name of a fallen service member to honor with every step they take. Wear blue: run to remember creates a support network for military members and their families; it bridges the gap between military and civilian communities as it creates a living memorial for our country's fallen military members. Wear blue: run to remember exists for the fallen, for the fighting and for the families.
