New Employees at Goodfellow Family Housing

We have added several new employees to our growing Hunt team. We have 2 new additions to both our maintenance and office staff.

Please welcome our new Maintenance Director Wayne McShan (Left). Wayne is joining us from prior experience in his own construction company. He is a proud husband, father, and dedicated softball coach.

Judd (center) is joining us as the newest member to our maintenance technicians. He has previous experience with other local properties. Judd is original from Florida and is still getting used to our Texas heat in both the weather and our food.

John Cook (right) is our new Resident Service Specialist. He is a recent graduate from Angelo State University with a degree in psychology. He has an interest in Real Estate and is looking forward to placing all of our families in new homes upon their arrival.

Andrea (not pictured) has come on board to assist us with our busiest time as a part time Resident Service Specialist. She is a military spouse whose family recently transferred to San Angelo from Maryland.

WEAR BLUE: RUN TO REMEMBER

Thank you to everyone that joined us for the Wear Blue: Run to Remember memorial walk. We were able to honor several of the fallen service members who laid down their life for this country. Each runner received a name to run in remembrance of. We came together in a circle of remembrance and called out each name. Thank you to all that have served, are serving, and have paid the ultimate sacrifice for our freedom.

If you are interested in starting a local Saturday run community here in San Angelo to meet regularly to honor a fallen service member please reach out to the Wear blue: Run to remember community.
