Community Updates and Stories | AUGUST 2018

GOODFELLOW

A HUNT MILITARY COMMUNITY™

ONE MISSION. ONE COMMUNITY.

Community Reminders

As of August 1st San Angelo will enter into a Drought Level I. Watering is allowed once a week at no more than 1 inch of water per week. Watering is prohibited from noon to 6pm. Please do your part in helping our city conserve water.

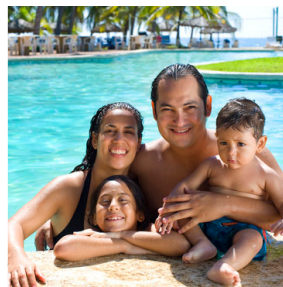

Please remember that as a pet owner it is your responsibility to pick up after your pet in the community. It is also required that all dogs are to remain on a leash when being walked in the community.

Maintenance Reminders

We have been feeling the heat this summer and unfortunately some of our air conditioners have not survived this extreme heat. Please know that making sure your homes are comfortable is our top priority. We are working diligently on all your work orders but are addressing all emergency work orders prior to any routine level requests. Please be patient with us during this PCS season as we are striving to complete all work orders.

We do have a self help store located inside the maintenance shop. You may pick up air filters, light bulbs, wasp spray, and other items to help you do it yourself.

Please remember that in order for us to complete your work orders we need to be able to gain access to your home. If you have given us permission to enter please leave the deadbolt unlocked. We can not enter your home if the deadbolt is secured causing a delay in the completion of your request.

Annual CEL Survey

CEL is right around the corner and we are getting prepared. The annual CEL satisfaction survey provides you with an opportunity to share your thoughts and feedback on how we are able to help create exceptional living experiences for you and your family!

Your participation is vital to ensure we know how you feel about the things that we do right, and if we have any opportunities for improvement.

Your survey will be sent electronically via e-mail. We need to make sure that we have a non military e-mail for every resident. Participation in this survey comes with big rewards with several opportunities for amazing prizes! Please contact the office with any updates to your e-mail address.
