

# GOODFELLOW INSIGHTS

Community Updates and Stories | September 2018

## Hunt Helping Hands

Goodfellow Family Housing is thrilled to announce our participation with Meals for the Elderly for the 2018 "Hunt Helping Hands" project. Goodfellow Family Housing will be assisting in the kitchen helping package and assembling lunches along with delivery!

The office will be **CLOSED** on September 19th from 8 am to 3 pm to allow all staff members to participate.

## Maintenance Reminders

We are very thankful for all the rain that we have received this past week. Please be patient with our maintenance staff as they are addressing several concerns regarding leaks or floods.

Please remember that the rain will bring out the ants and other unwanted critters. We can add your home to our weekly pest control list every 30 days. Please give the office a call before Thursday to be added to that weeks list.

## Annual CEL Survey

CEL is right around the corner and we are getting prepared. The annual CEL satisfaction survey provides you with an opportunity to share your thoughts and feedback on how we are able to help create exceptional living experiences for you and your family!

Your participation is vital to ensure we know how you feel about the things that we do right, and if we have any opportunities for improvement.

Your survey will be sent electronically via e-mail. We need to make sure that we have a non military email for every resident. Participation in this survey comes with big rewards with several opportunities for amazing prizes! Please contact the office with any updates to your e-mail address.
