Maintenance Reminders

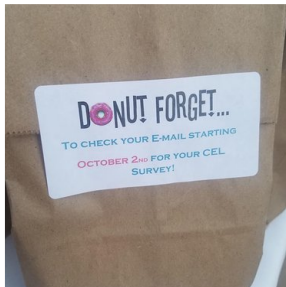

Our maintenance director, Wayne, would like to thank each of you for your patience during this busy PCS season. We are building and teaching a new staff of maintenance technicians to assist you with all your homes needs.

Please help us keep our property clean! It takes a village to maintain a property this size. Please help us by picking up trash, toys, and after your dog. We appreciate you!

CEL SURVEY IS HERE!

Beginning October 2nd, Hunt Military Communities will launch its annual CEL online survey. This critical and anonymous survey not only allows us to truly understand your opinion about living in a Hunt home, but also tells us how we can improve YOUR living experience.

Be on the lookout and make sure to complete and submit your online survey by October 31st! Your survey will be sent to your primary e-mail address. Your participation is vital to ensure we know how you feel about all the things we do right for you, and if we have any opportunities for improvement.

CEL Prizes and Events

As an added incentive, every Hunt resident that completes the survey will be entered into a drawing for one of these prizes:

Instant Pot, Amazon Echo, \$100 Movie gift card, Movie projector, and a grand prize Nintendo Switch

We will be hosting events through out October to show our appreciation for our residents! Please be sure to mark your calendars to join us:

HUNT HELPING HANDS

On September 19th Goodfellow Family Housing volunteered with the Meals for the Elderly. We got the privilege to deliver warm, nutritious meals to the homebound elderly in San Angelo. We also spent some time preparing emergency food kits for the upcoming winter season. We had a wonderful day coming together as a team to serve our community!

You can help us on October 2nd at National Night Out by visiting our Halloween bag station. We will be encouraging our residents to decorate a Halloween themed bag that will be used to package future meals to be delivered!

According to AFI 34-144

Any families residing in base housing who provide care for other families' children on a regular basis or for more than 10 hours a week must be licensed by Goodfellow Air Force Base Family Child Care program. If you have any questions you may contact Carmen Trufant Family Childcare Coordinator 325-654-3239

Welcome Jerry!

We would like to introduce you to our newest maintenance technician, Jerry. He comes to us with a background in several years of apartment maintenance. Make sure to welcome him as you see him around the property!
