

COMMUNITY DIRECTOR UPDATE

SEPTEMBER 1, 2025

COMMUNITY NEWS

To maintain the quality and appearance of our community for everyone's benefit, we will be conducting more frequent site drives due to ongoing non-compliance issues. Areas of focus include window units, swimming pools, pet waste, unkept carports/patios, broken blinds, and trampolines with damaged safety netting. Thank you for helping us uphold our community standards!

COMMUNITY UPDATES

The City of San Angelo is in standard conservation drought level, which restricts outside watering to twice every seven days at no more than 1 inch per week and not between the hours of 12 PM and 6 PM.

MAINTENANCE TIPS

Pest control is on the property every Tuesday & Thursday to complete pest control service requests. Don't forget to enter maintenance requests for your complementary monthly pest control treatment.
