COMMUNITY NEWS

Holiday decorations are authorized but cannot be put up earlier than one month before the occasion and must be removed no later than one week after the occasion. All electrical decorations must be unplugged when the tenant is away from the premises. Please ensure that all cords, cables, and wires are noticeable to help avoid potential damage during weekly landscaping.

MAINTENANCE TIPS

Pest control is on the property every **Tuesday and Thursday to complete service requests**. Remember that you can use the Resident Portal to enter maintenance requests for your complimentary monthly pest control treatment!
