## **COMMUNITY NEWS**

### **Please Help Us Keep Our Neighborhood Safe!**

Our office has recently received several reports of unsafe driving and speeding in the community.

**As a reminder, the neighborhood speed limit**

**is 15 MPH.** With children walking to and from school, families playing outside, and residents moving throughout the area, staying alert behind the wheel is essential to everyone's safety. Please take a moment to review safe driving habits with your household and remain mindful while traveling through our neighborhoods. Your care and attention help keep this community safe for all.

Thank you for doing your part to protect our residents.
