

COMMUNITY DIRECTOR UPDATE

JUNE 1, 2026

COMMUNITY NEWS

Please note that speed limits are posted throughout the community and must be followed at all times.

We care deeply about the safety and well-being of all residents. For everyone's safety, children must be accompanied and supervised by an adult while using the playground, in accordance with posted rules.

Routine Inspections: We are committed to maintaining the quality and appearance of our community for the benefit of all residents. To support this effort, routine site inspections will be conducted more frequently.

During these inspections, we will be monitoring for items such as:

- Window units
- Swimming pools
- Pet waste
- Unkempt carports and patios
- Broken or damaged blinds
- Trampolines with non-functioning or missing safety netting

We appreciate your cooperation in helping us keep our community safe, clean, and enjoyable for everyone.

Pest Control Services: Weekly Visits for Your Convenience

Our pest control team services the property on Tuesdays and Thursdays for scheduled requests. To receive your complimentary monthly treatment or request maintenance, please submit a service request through the Resident Portal.
