COMMUNITY NEWS

Speed Limits are Posted in All Neighborhoods

As school is back in session, we kindly ask all residents to use extra caution when driving through our neighborhoods, especially during the morning and late afternoon hours when children are walking to and from school.

We also encourage families to take this opportunity to discuss pedestrian safety with their children, including:

- Looking both ways before crossing the street.
- Staying alert and avoiding distractions such as phones.
- Following traffic and pedestrian signals.

Thank you for your cooperation and commitment to helping keep our community safe for everyone. Together, we can create a safer environment for our children, neighbors, and visitors.

Pest Control Services: Weekly Visits for Your Convenience

Our pest control team services the property on Tuesdays and Thursdays for scheduled requests. To receive your complimentary monthly treatment or request maintenance, please submit a service request through the Resident Portal.
