Maintenance Reminders

As we begin to approach the colder months please remember to unhook any garden hoses attached to the outside faucets. These faucets have an anti-freeze feature that will combust inside the wall if a hose is still attached. Since these faucets have this feature you do not need to cover it in freezing temperatures.

As you are preparing your Holiday meals please be mindful of what you are placing down the garbage disposal. Larger items can be too hard on the machine causing malfunctions and plumbing issues.

Community Reminders

Please remember that the speed limit in our neighbor is 15 MPH. We have several children that enjoy playing outdoors. We want to ensure we are providing a safe environment for them.

All children under the age of 10 must have adult supervision when playing on playgrounds or in areas of the community. Please remind your children to be respectful of other people's property as they enjoy the community areas.
