Community Updates and Stories | FEBRUARY 2018

RENTER'S INSURANCE

As of February 1st, Personal Property Coverage will also no longer be included. It is not a requirement that residents purchase their own renter's insurance but it is highly recommended. In the event of extreme weather conditions, fire, flood, theft, etc. the resident is responsible for any damages. If you do decide to acquire your own personal property insurance it is not required that you notify our office.

COMMUNITY CENTER RENTAL POLICY

Effective February 1, 2018 we will start to charge a flat \$50.00 fee for all active military/residents to rent out the community center for events. Any non-residents may also rent out the community center for \$100.00. This space includes use of the complete kitchen, party/conference room, and access to 7 rectangular tables plus 40 chairs. You will be required to provide a deposit check of \$250 at time of rental for any damages. Please call the office for information about availability. 325-651-8369

COMMUNITY REMINDERS

Please remember that as a pet owner it is your responsibility to pick-up after your pets. This policy is not just for the areas enjoyed by the community but also includes your front and back yard as well. We love being a pet friendly community and want to make sure that everyone is maintaining their yards to this set standard. We will continue to do property inspections in order to enforce this policy. We appreciate your attentiveness to this matter.

Christmas lights need to be removed from your homes no later than February 12th.

Please remember the proper way to input a work order is to call our office, 325-651-8369, or to make a submission through our online portal. Please do not send in work order requests through e-mails directly to our staff members. We want to ensure that your requests are resolved as quick as possible; therefore following protocol is essential in this process.
