

GOODFELLOW FAMILY HOUSING NEWS & STORIES

Thank you for joining us last month at our
Community Easter Egg Hunt!

Our President's Message

I want to welcome you to the first ever President's Message. I'm excited to have this opportunity going forward to fill you in on some of the things happening at Hunt Military Communities nationwide, and to tell you a little bit more about our employees and our dedication to you, our residents. 58% of our employees have some personal military affiliation. They are either retired military, a veteran, spouse, or was a military child. This special bond with the armed forces allows us to understand first-hand some of the

challenges military families face, and helps drive our desire to take care of everyone who is a part of a Hunt Military Community. At Hunt, an important part of our job is to share our endless gratitude with our residents. Staff shows their appreciation for residents in a variety of ways. From weekly get-to-know-your-neighbor events to partnering with military nonprofits, our mission is focused on giving back to our residents who give so much, and to the communities that support them. Hunt is committed to supporting positive change for our residents, employees and our neighboring communities through efforts that are focused on military issues, health, education, housing, and community betterment. We know you have a choice in where you want to live, and we are grateful you trust us to serve you.

Best,

John Ehle
President
Hunt Military Communities

Community Reminders

Speed Limit

Please remember that the speed limit within the neighborhood is 15 MPH. We are approaching summer and more children will be out at play in the upcoming months. Please be cautious as you are driving through out the property.

According to AFI34-144

Any families residing in base housing who provide care for other families' children on a regular basis or for more than 10 hours a week must be licensed by Goodfellow Airforce Base Childcare program. If you have any questions you may contact Carmen Trufant, Family Childcare Coordinator, 325-654-3239

Trampolines

We have already had a few of our West Texas thunderstorms this season. Please always be aware of a possibility for high winds, hail, or tornados. If you own a trampoline please remember that these need to be weighted down with sand bags to prevent potential displacement.

Pools

Personally owned pools are limited to small wading pools, not to exceed 18 inches in depth and 8 feet in diameter. Residents will ensure that an adult closely supervises children utilizing the pools and pools are emptied when not in use. For safety, pools must be emptied and properly stored immediately after use and may not remain filled overnight.

Make sure to mark your calendars for our upcoming community events!

On May 10th be sure to stop by the community center to pick up a flower to celebrate all of the wonderful mothers!

Please join us at the community center on Thursday May 23rd at 6:00 pm for a memorial day run to support our fallen war heroes. We will be partnering with the Wear Blue: run to remember organization for this event. We encourage everyone to participate.
