Community Updates

Holiday Decorations

We saw some wonderful Halloween yard decorations this year. We are looking forward to seeing the same creativity with your Holiday decorations. Please remember as you are preparing to decorate that your decorations do not interupt with the weekly mowing. Please make sure that lights are turned off during the day and that you are using proper extension cords and that you are not overloading any outlets.

According to AFI34-144

Any families residing in base housing who provide care for other families' children on a regular basis or for more than 10 hours a week must be licensed by Goodfellow Airforce Base Childcare program. If you have any questions you may contact Carmen Trufant, Family Childcare Coordinator, 325-654-3239
