# GOODFELLOW INSIGHTS NEWS & STORIES

## Happy Saint Patrick's Day!

### Our President's Message

Hunt Military Communities celebrates the youngest members of our communities. The smallest warriors, the children, often make some of the most significant sacrifices moving from state to state, school to school, and having parents deployed for long periods, along with the myriad other challenges military families face. We are

proud to acknowledge and support the tremendous strength and resiliency children of our military families display. To recognize military children, we have launched our 2nd annual "Hunt Little Heroes." We ask that your children share stories of what they think it takes to be a hero and how they've been a positive influence in their community. Applicants are asked to submit a 300-word essay, a video no longer than 2 minutes, or a drawing telling their "Hero Story" in their own unique way. For the "younger" heroes, a photo with a short caption may also be submitted. All applicants will receive a complimentary Hunt Little Heroes cape and mask. We will select the top three submissions and give a cash prize to each. Applicants can visit <https://learnmore.scholarsapply.org/huntheroesscholarship/> to see if they qualify, and to submit their story. From all of us here at HMC, thank you for your service and sacrifice.

Best,

John Ehle  
President  
Hunt Military Communities

### CEL Survey

Congrats to all our CEL Winners! And a big thank you to everyone who responded to the survey this year. Your opinion on the community helps us know how we are doing. We greatly appreciate all the feedback that was provided and always look forward to serving our families.

### Pick Up After Your Pet and Always Utilize a Leash

We love that pets are part of the Housing community! However, dogs must be on a leash at all times when outside the fenced area of the housing unit. Please be considerate about picking up after your pet when taking them outside to enjoy the surroundings. We appreciate your help in keeping our outdoor spaces clean and beautiful.

### Unsupervised Children

Please keep your eyes on young children (and sometimes older ones) as adult supervision is key in preventing injuries or dangerous situations.
