GOODFELLOW INSIGHTS NEWS & STORIES

HAPPY MOTHER'S DAY

Our President's Message

As we welcome warmer days and longer nights, we also look to a future of doors opening back up and life returning to a new normal. I want to personally thank you for your patience this past year as we all navigated the safest way to serve our residents, employees, and our partners. It was not easy to manage an unexpected

pandemic, but we did so, always keeping our residents' best interests and safety first and foremost. Over the course of the next month, we hope to begin opening up our amenities (as appropriate and approved by local guidelines) and see a full return of staff to our offices. Our teams look forward to seeing you and helping you in any way we can. And as a reminder, one of the best ways to help minimize the spread of COVID-19 is to get vaccinated. If you are having difficulties finding a location where you can receive a vaccination, please check out vaccinefinder.org.

Best,

John Ehle

Wear Blue to Remember! Once again we are honored to be partnering with Wear Blue: Run to Remember. They are launching registration for their annual Memorial Day living memorial, in which we help to rally participants from across the nation to take purposeful steps in honor of our nation's fallen military heroes. Wear Blue is making great strides to ensure that all 65,000 of our nation's fallen service members since the first days of Vietnam are remembered in a one-to-one hero match. Please join us in this virtual event in honoring those who gave the ultimate sacrifice for our great nation. For details, please reach out to your RSS and check out our social media for updates on this very important memorial event.
