

Our President's Message

Welcome to the official start of summer! In just a few days, we will celebrate American Independence Day on the Fourth of July. We think of July 4, 1776, as a day that represents the Declaration of Independence and the birth of the United States of America as an independent nation. It is also a time families gather to barbecue, gather with friends, and watch fireworks. Whatever your plans are, we hope you will be safe and continue to give thanks for our precious gift of freedom.

Many have already experienced extremely hot weather, and it is forecasted to continue in many parts of our nation. Should you have a maintenance emergency, our teams will be on call throughout the holiday weekend 24/7.

We are also pleased to announce our Hunt Heroes Foundation will once again be partnering with Operation Homefront on their Backpack Brigade program. Be on the lookout for the details on how to register your child to receive a complimentary backpack filled with school supplies. This will be on a first-come, first-served basis, and quantities are limited per community.

Wishing you all a safe, happy, and healthy holiday and summer!

Best,

Karen Plesh
President
Hunt Military Communities

PCSing or Moving Off Base? Friendly reminder that, per the Lease, we need a 30 days' notice. Please contact the office for the Notice to Vacate paperwork. Verbal notices are not valid. PCS orders not needed at time of notification and may be submitted upon receipt.

Watering Reminder: The City of San Angelo is in standard conservation, **which restricts outside watering to twice every seven days** at no more than 1 inch per week. **Watering is prohibited between noon and 6 P.M.**, and runoff of more than 150 feet down any street, gutter, alley or ditch is also prohibited.

Amenities Here at Goodfellow: Summer weather is here! It's time to enjoy the outdoors and Goodfellow Family Housing has lots of wonderful spaces throughout the community. Our tennis court, volleyball pit, playground, fitness center, and community center are open.

It is Getting Hot out There! Setting your thermostats on auto will allow your Air Conditioner to cycle itself on and off which will lessen the risk of it malfunctioning from over usage. Keep the cool air in and critters out! Remember to call in a work order request for damaged weather-strips and sills.

Pest Control Schedule: West Texas summer heat brings out pest, please remember to call in a work order if you need pest control. Pest Control is available on Tuesdays and Thursdays!
